Wedding bliss with a French kiss at Château de Lerse

A typical 3 day wedding event....

starts with a relaxed and informal 1st day welcoming friends and family. Day-time activities can be organized like country walks, Bordeaux & Saint Emilion wine tours, local bike rides, 2CV tours, aqua boarding, salsa dance/jive/ceroc tuition, a game of petanque, or just chilling by the pool or lake. Followed by drinks on the terrace and then an informal dinner or BBQ.

Main wedding day - The choice is yours on the Big Day. Have the ceremony on the landscaped front lawn or by the pigeonier overlooking the lake; sip champagne on the front terrace where everyone gathers before entering the courtyard or barn for the key wedding meal and party. Complete with dance floor, DJ, band and bar this is the place to be...dancing the night away.

The final day is a day to relax and celebrate a bit more. A leisurely brunch can be enjoyed in the barn or outside 'sous le preau' (au-vent) before guests go homewards or stay another night.

It's hard to leave Lerse!
